Still a minute left..!!

Ah-
SFX: Hitting Ground

Okay, make a run for it!!
Crap ..!!

I thought I'd get here just in time after all that... Yet, Sana-chan (my teacher) still hasn't arrived on this very day, huh...
はぁ…
チラッ

My school
Nishi High, Shigara City.
It's been decided that two years from now, this place will be integrated into another school
And to make matters worse, thanks to that, the already-dropping student population is decreasing even more rapidly.

Or since this is the moment I've always been waiting for, I guess I could just choose to slack off and spend these two years relaxing.
The entire school population including me is currently only seven people. And since it's a school in the first place, maybe I shouldn't really care about it. .

Fuwaa... Hurry up and get here already. I'm beat.
Well I guess I'm the latter. All because the Higashi High that this place will be integrated into is famous for being strict...

Geez... Motoya...
Don't be so lax starting each and every morning!
Hey!!
Ack!!
Ack... What the heck are you doing, Yuri?!
Our Nishi High is a very prestigious high school that was built when this prefecture was just formed!
Even a cabinet minister graduated from here before!
...nd also, there is another story from the past, a hundred and twenty years ag...
Hm?
...
...And that said, there are even these kinda weirdos who are too brought in by the influence of their parents who graduated from Nishi High. .

With that said, this time's a pass too.

Apart from that, isn't there a lot of ruckus outside?
ガヤ ガヤ
Oh yeah, you're right. .
Wah!! Could it be that my efforts have prevailed and the media has come to interview me?!

You were born just spectacular
Wahh..!
You... are my trump card...
What's a "trump card"..?
.....
...Yes...
For the purpose of attaining the glory of victory your body is necessary
You will assist me won't you?

What the, this...
Whose memory is this..?
!!

SFX: Deep Breathing
はあはあ
I was crying
I couldn't see grandpa I thought I was deserted
But Realizing that was scary Thinking that I wasn't needed was scary
Knowing the truth was scary Me becoming worthless was scary
SFX: Sobbing
I ended up just waiting and waiting while I denied the reality that my grandpa just couldn't be found

...I didn't expect to see any human being at that place...
So until "Onii-chan" appeared....

Let's go.
.....
Who is it..?

WAIT A SECON-
H- HEY!!
ズ!! ズ!! ズ
!!
UWAA!!

ハァ
ハァ…
……
Dream..?
むくっ

Eh..?
T-This place...
You're inside one of the vehicles we use for relief
Ah... You're awake?
You...
O-Okay...
ズイ
Drink.
Erm What I saw in my dream was
...Toujou, I think..?
グイ?...

You should be hungry, right?
Decontaminated..?
Wait a moment please.
ガタッ
Toujou?
Right now, Himeri is together with that "classmate" Takasugi of yours being decontaminated
Himari didn't get it as bad as you may believe, however...
Tha contamination in that classmate of yours is a bit terrible, so I don't exactly know what'll happen to him
Himari was thought-contaminated by you, while Takasugi was thought-contaminated by a Spriggan.
Just what in the world happened with Takasugi..?
.....

He was infected by a Spriggan.
The ones we fought inside the tower.
They use their powerful Links to control the awareness of their prey and then lure them into the tower.
Ultimately, what happens to their prey is a mystery. There's even a legend saying they become Spriggans themselves.
Their prey usually consists of human beings, however, it seems they also target things like wild bears too.
ヒリ
ミリッ
N-No... I'm fine with the usual.
You! You couldn't possibly say stuff like you hate what's tasty, just like an elementary school girl who's on a diet, right?!
ん！……
ミョー
Please wait a little longer. This'll be tasty!
...That's great to hear.

We call it a "tower," however...
...We don't know exactly who made it and for what purpose, therefore...
I think it's best we just thought of it as a "natural phenomenon."
Apart from that, just what is the tower anyway?
"Apart from that," huh
"...The Tower of Deceased Gods."
ゾー
ゾゾゾー
……
Mmm...
やじ…

Since humans without a Link are unable to see it, it seems they tend to avoid situations where they may get close to becoming unconscious
That supernatural feeling... We call it a "Link," however...
In that tower, only specific owners with that supernatural sensation are able to perceive it. Although the Hiwatari Organization has tried experimenting with it already...
I think Himari said so as well, but...
SFX: Sprinkle

Done!!
Link... Huh...

じゃ～ん
Eat up!
Okay!

Thanks.
ニコッ
Really?
ニコニコ
That's great!
Mmm! Tasty!

By the way, about these "Links..."
I'll have a bite too.
Even if a human possesses a Link, once they enter the tower, their five senses get distorted, and they cannot walk a straight line or stand for long anymore.
You experienced it, didn't you?
It's basically something similar to telepathy I think?
Ahh... Links huh... Yeah...
Ahh... That, huh...
However... For some reason, in a situation where the Links of three or more people are connected together, even if you're a human, you can still perform as normal inside that tower.
And also, we search for these "*Irregular*" enemies inside the tower.

Yeah... Weird, right?
Inside that tower, you have the Spriggans that protect it, as well as those Irregulars, however...
Search... for the enemies?
Irregulars are the very wisdom the tower brings forth.
"The Tower of Deceased Gods," huh...

Thanks..?

Thanks for the meal! It tasted great!
Yeah...
This is just my way of saying thanks..

You... When that Takasugi got contaminated...
You didn't hesistate when you went to save him, didn't you?

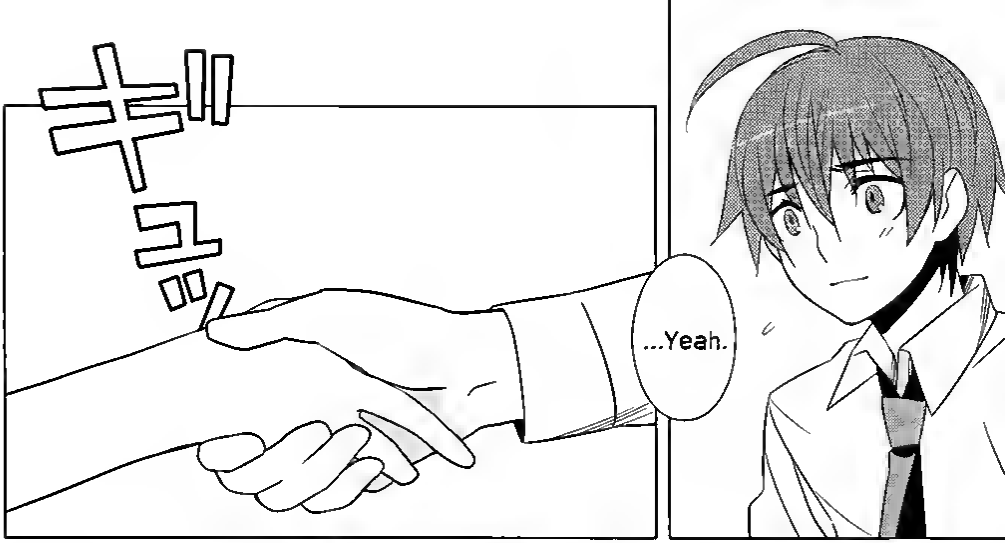
...It was
It was...

That time...
T-That...

Well... I only did what I thought was right, but...

...It was really cool...
T-Thanks...
I just couldn't rush into the tower without thinking like you did
I ended up first considering about securing our Links
I considered persuading the other two to do so also..

Mizumura...
Maybe... Maybe it's because I've seen too many humans die already...
スッ…
I'm happy I can fight together with you.
I welcome you.



...Yeah.

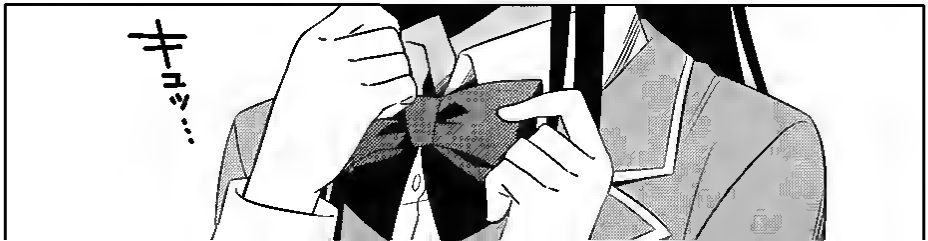
!?
S-Say...
Do you want to go check on Himari's treatment together..?

Excuse us.
ガラッ
How is the decontamination?
Yes. It has been completed without issue.
What the, this device...
ニオイ

It went just fine.
Please wait a moment.

Uwa..!! S-Sorry!!

S-Surprised me
ビキビキ



キュッ…

That's great to hear!
I have finished my inspection. There is nothing wrong with me.
.....
Takasugi...
Erm...
Y-Yes...
The number of active thoughts in the tower are increasing.
Regarding that, let's get consultation.
Eh..?

Now then.
Erm... Do you hate me.?
This is the first time Himari's ignored somebody with that kind of attitude
You Just what did you do?
While I wasn't looking...
No— I don't recall anything at all, but—
Ah..!
Direct descendant-kun! So you were here..!
UWA..!!

Don't say stupid stuff You come too It's time for the meeting
Ahh...
Haha...
That was suchhhh a strooong Link!! I'm sooooo moooved!!!
O-Okay..
The relief vehicle from before will be reserved for you until tomorrow Rest there
You're still not good enough I think Even if you did come, you wouldn't understand, so...
Um... What about me?

That was...
...Toujou, wasn't it...

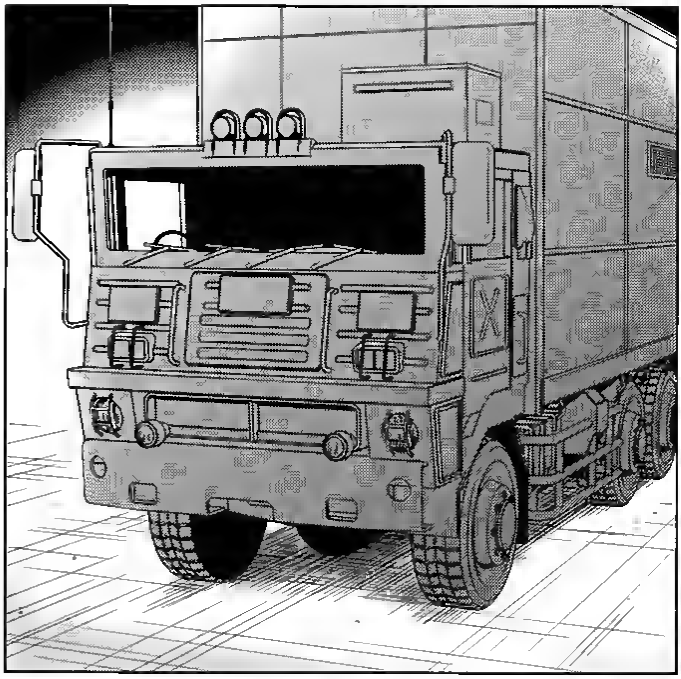
ADVICE



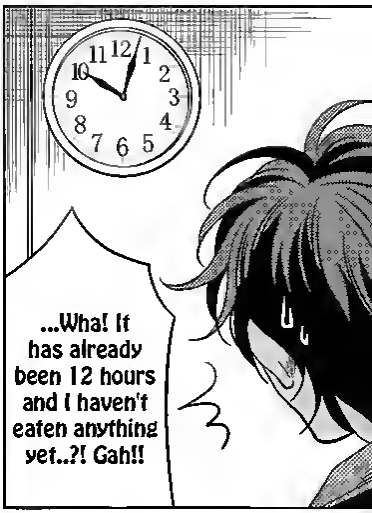
ポリポリ
Yeahhh...

And now, the band consists of four people.
カチッ
SFX Flick
To the level where we have to consider more support members, if we don't advance our capture of the tower, we definitely won't make it in time for our roadmap, huh. .
And that Hazakura, we need to gently transplant some battle experience into him until he at least reaches the second floor...
ふーん？...

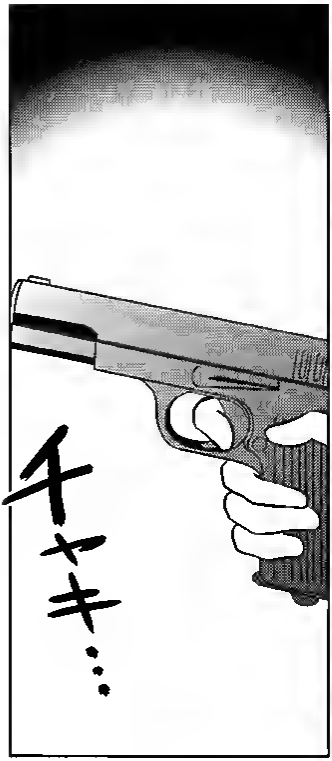
SFX: Knock x2
Crap..! There's no time left! Dammit!!
Oh!
I am here for nighttime patrol.
ガチャ
Yeah... C'monnn innn...
That reminds me, what'cha think about bath cars?

At the first peak of stress pulling you down you can use the bath featured as a stress reliever!
Yes. Bathing support vehicles are rather popular
I know, right?
ROGER!!
Remember these bits of advice.
Meals
That reminds me, I'm hungry.
If there are relaxing baths and delicious meals..
—Mankind could become rather peaceful, couldn't it?

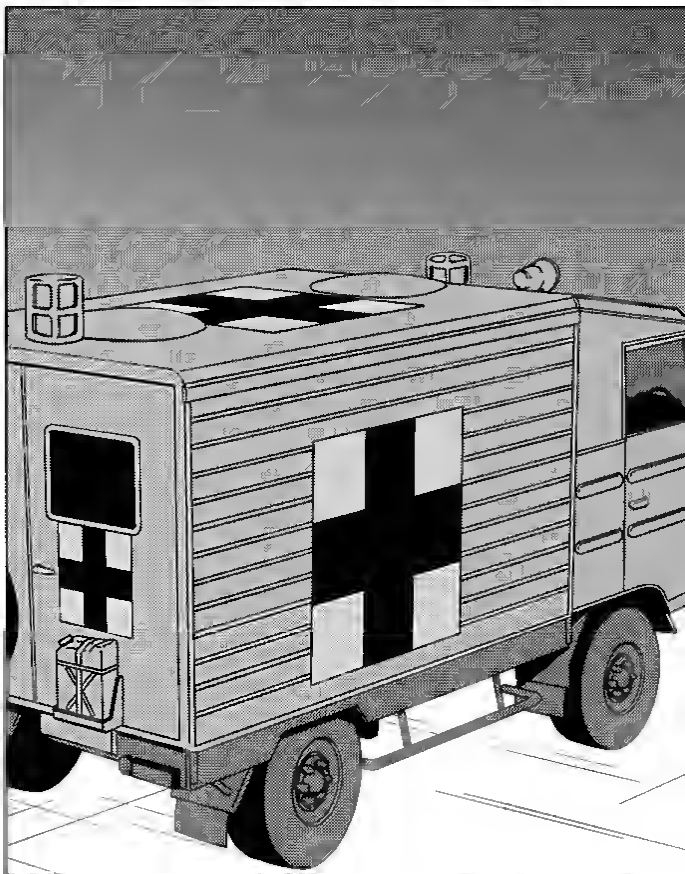
.....
Meh, I guess I'll eat some cup ramen then



...Wha! It has already been 12 hours and I haven't eaten anything yet..?! Gah!!



チャキ…



...Quite a pretty girl, isn't she...

...Wait, no no!!
SFX: Gulp

E-Erm... Umm...
This... From that time...
That means... This thing is real...
SHUT UP!!
Eek..! Y-Yes!!
...I told you to shut up.

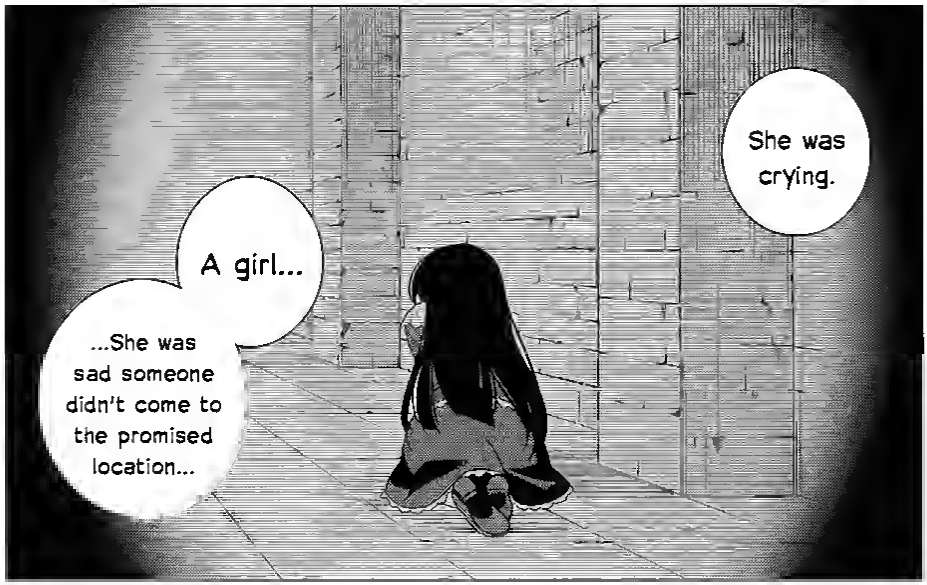
Don't move...
スッ…
U-Ugh...
ﾐｷﾐｷ
Looks like you don't have any weapons
ﾌﾌﾌ

Please answer me honestly.
Now then. Question.
What did you see?
When you used your Link. What did you see?
?

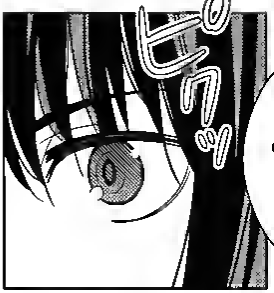
?
バタバタ
I will ask you again. What did you see?
ぷはーっ…
SFX Deep Gasp
A-Ah... I don't mind you opening your mouth now.

Huh?

I... I think that was you?



She was crying.
A girl...
...She was sad someone didn't come to the promised location...



Hm?

Then, some old guy I didn't know wearing a naval uniform...

So you really saw it then.
I truly apologize, however...
There is a possibility that you saw something you must never witness.

チャキ
Thus, I will dispose of you.
EEEEEHHH HHHH??!!!

These bullets are specially made for fighting against Spriggans. *Hollow Point Bullets*.
Inducing a state where the aftereffect still remains even after feeling the pain. There probably isn't anything that can survive it.
They shall certainly destroy that brain of yours for me.

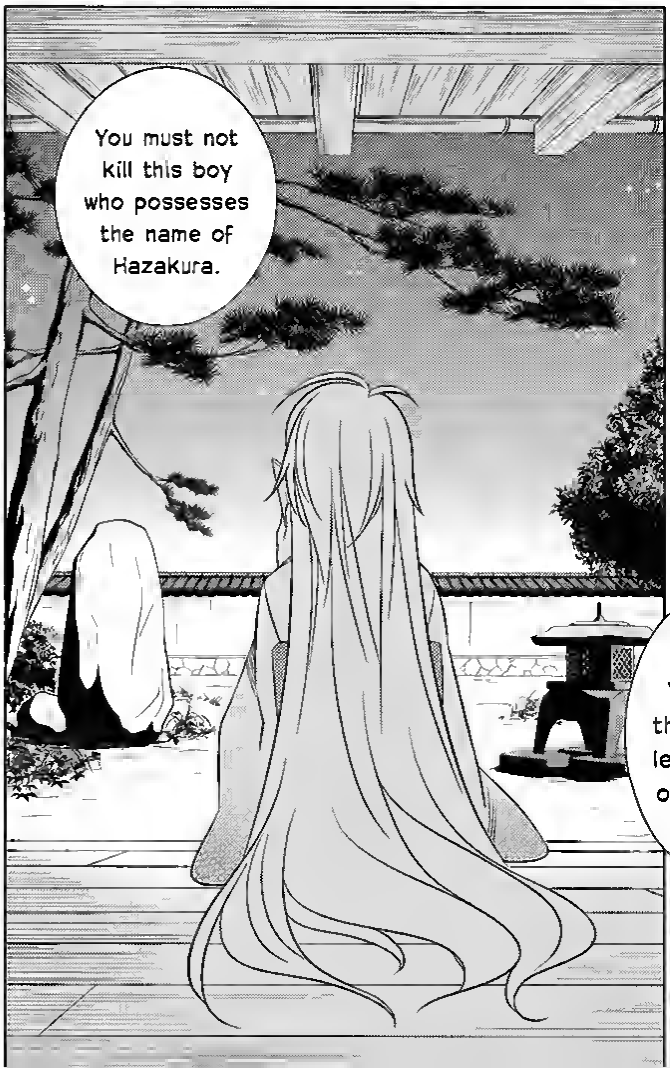
.....



You must not kill this boy who possesses the name of Hazakura.

..What is the matter?

You doing this will only lead to your own sorrow.

...Why?
...For me, I can see you killing Hazakura...
...And the image of you crying several months later.

The Ark Project...
.....
Eh?
W-What's that..?

I see.
So you're saying that if he doesn't react to these words, then the possibility of Hazakura possessing crucial intelligence has decreased.
I consider your foresight as something with merit. I shall abide by your advice.
And me also. Advice with all due respect...
...You need not worry.
..During nightfall also, please show more care for yourself.

As I can no longer fight...
...I am only able to pray for you girls, therefore...
SFX: Close
カチッ
.....
In response to those prayers I am thankful
...OKAY. THEN WITH THAT SAID

However... It seems I cannot tell her about what I really saw after all.
.....
I lied, didn't I.
...The future... is quite a mystery, isn't it.
Opposed to the opposite sex, she's quite obstinate, isn't she. Could it be that that Himari, with the Hazakura boy...

That's surely what you call *fate*, right...
……
スッ
カチッ
……
I'm not going to do anything.
Call for someone?
What are you going to do now?
...Now then. I decided I would kill you.

It was only an accident how I found out about your saddening thoughts, so...

...I can't do anything about it...

...You're an unusual one, aren't you...

...Well then.
I suppose I will take my leave...
